Reading, Writing and Mathematics	93	59	7	7	N/A	N/A	N/A

* National data is from 2019 (the most recent year in which national figures were published). National data for 2022 will be published in the autumn term. It should be noted that there could be many valid reasons why 2022 results might look less favourable than 2019, particularly the disruption caused to education by Covid-19.

** Percentages include 1 child who was disapplied from the tests.
