Planning the date and organising for Olympic gymnast to be available for the afternoon.

Discussions with Ambassadors who then had time to meet and discuss their ideas on their own before presenting them to the Y 5/6's.

Who was involved in the planning?

Head and Ambassadors

How long did it take?

3 sessions

What we did?

Describe in detail what the Ambassadors did, who was involved, how it was organised, and who it was delivered to.

After meeting with me they planned a series of PE activities for the whole school to take part in. The focus was raising the profile of PE as well as engaging the whole school in a PE day. *Was it a one-off or part of a series of activities.*

We had the opportunity to be visited by an Olympic gymnast who wanted to work with the school for the afternoon. This was a sponsored event which helped raise funds for other Olympic athletes as well as the school.

Our Ambassadors task was to plan the morning's events to create a whole day of PE.
