

On Tuesday the 14th of February 2019 Hunsdon JMI School faced Little Munden in the first round of The Hope Cup.

Max was in goal; Adam and Jack were at the back, William was on the left Reuben was on the right and Tom in the middle, leaving me upfront.

We started off by getting three confident goals with great teamwork from the back and front. At half time we were 6 nil up. Special mention must go to an absolute screamer that Tom smashed into the top corner with his left foot!

I came on to play right wing for William and Austin came on for Beau. Later on in the game it was 10 nil and Max changed for William in goal and went upfront instead. This was a game of many unusual changes as Beau converted to left wing for the last 4 minutes and we all changed positions to try and make the game farer.

Max took a free kick and Scored a top bins. The final score was 13 nil to Hunsdon and we gave their team a man of the match and that was their goalie!

We would like to thank Sarah and Mr Millward for coaching us and the parents for cheering us on and Mrs Carter for the biscuits and drinks!

Come on Hunsdon!!!

Beau, Luca and Max
