

On the 11<sup>th</sup> of October Hunsdon School netball team played against Tewin Cowper School

Isobel played centre, Sophie C played goal shooter, Gracie played goal keeper, Phoebe R played goal defence, Olivia played wing defence, Sophie P played wing attack, Ellie played goal attack and Phoebe M started as our sub.

For the first half, we played really well. Isobel starting off with the ball and we were passing around. Then in the first 2 minutes Sophie C scored a goal! Unfortunately, Tewin scored the next goal. Then it was Isobel's ball. She passed it to Olivia who passed it to Ellie who scored a goal. That made the score 2-1 to us. We were doing great!

In the next third they played hard. They were getting around us and scored another 3 goals. Then Ellie managed to score a good goal and we looked like we were getting back into it. In the next 5 minutes they scored another 2 goals though. At the end of the second third the score was 3-6 to them.

In the final third Tewin sadly scored 5 more goals but we did manage to get two more of our own. Isobel passed it to Sophie P, then Sophie passed it to Ellie and Ellie passed it to Sophie C. Sophie took a shot unfortunately it didn't go in, then Ellie got the rebound and scored. We also scored another goal by Ellie. The end score was 5-11 to Tewin.

We would like to thank Sarah for coaching us and the parents for cheering us all the way!

Isobel, Sophie C and Ellie
