

Woodson Athletics

On Wednesday the 7th of March 2018 Hunsdon went to the indoor Woodson athletics and faced up against 4 other small schools.

The first event was the girls obstacle course (which Chloe, Rose, Libby and Willow did) in which you had to go through the ladder steps then you had to do 10 speed jumps then jump over a hurdle which the demonstrator knocked over then you had to hit the board turn around and run back! (Obviously we won).

While the boys did their 1+1 the next event was the field events which included long jump, triple jump, vertical jump, speed bounce and chest push. (Ellie did speed bounce, and Elsa, Olivia and Chloe all went to triple jump). After Skye and Isobel did the girls 1+1 the boys carried on with their field events.

While the boys were doing their 1+1 the girls finished their field events, which included triple jump, standing long jump, chest push, vertical jump and speed bounce; after that it was the girls 4x1 – which Ellie, Elsa, Skye and Isobel did.

Next it was javelin which Sophie, Gracie and Phoebe did.

While we were getting ready to go home the people who ran the athletics decided to make an extra race (fun) including everybody (but it wasn't an actual race they just made it up so they could decide the scores), but we obviously won.

When they had finally decided who had won, they told us in reverse order. When they narrowed it up to second place and they announced Hunsdon and we were really excited that we had come second (only because we didn't want to do all of those races again!!!)

We would like to thank Mr Farley and Sarah for coaching us and for Mr Millward, Mrs Clark, Mrs Dunstan and all of the parents for cheering us on

COME ON HUNSDON!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
