

Football report

Yesterday we played St Josephs in the second round of the Hope Cup.

The line-up was me and Edward in defence, Harlee midfield, Max and William on the wings, Lola-Rose up-front and Tyler in goal. It should be mentioned that the goals were full size and Tyler isn't!

At the start of the first half we were caught sleeping! We were thrown by their 10 foot tall boy, who was absolutely unstoppable! 5 minutes and many bruises later we were 5-0 down but we changed things around, Luke came to join Stan and Edward in defence and they started to enjoy their time with the giant!

Having stopped their attacks, we started to play our own game, just before half time Max darted down the wing, crossed the ball and William tapped the ball in 5-1.

Half time

The line-up for the second half saw Tyler and Jude swap, so that Jude was between the posts and Lola-Rose was back in her striking position.

We really improved our game and started bossing the match, Edward stormed forwards from defence to just past the half way line and scored a shocking goal lobbing their keeper. I still think it was luck.

Harlee and Lola-Rose both saw shots saved by their keeper, who was named by their team, man-of-the-match. Then at the end Alfie came on and Jude made a blinder save and Alfie did an amazing block.

At the end the score was 5-2 to St Josephs. Although we lost, we learnt a lot and will be better next time.

Thank you to the parents for supporting and Mr Millward for coaching us.

Come on Hunsdon!
